

"HE IS NOT MINE!" —YAHWEH

YAHWEH SAYS THESE WORDS:

How do I make it plain so the real will of Yahweh will not be tainted? How will My plan become tainted when under the governing outlets of the local body of followers of Christ? When they want a will to take way, they will attempt to make their own idols to have it take on the traits that Yahweh should have. For look at those church governing outlets that say Trump is a savior. Who must be the only Savior over any? Yahweh King Jesus. But look at how they label him their "David," a "king." Why would there be trickle traits of idolatry in the local church when they put up a human in the place where Yahweh governs? Look at how they have the United States church flags and pictures of Trump all over their pulpits and say that Yahweh put him in office. Hear Me! Trump is not a prophet. No prophet traits reside in that human. Trump is not a savior. Only Yahweh would be able to save. David's traits from the Bible days are not brought to life in the president named Trump.

I am Yahweh, the One True God. You shall have no other lowercase gods before Me. You serve a debased man filled with heavy sin within. No covenant with Yahweh sits in Trump. Your president tells deceptive ways to get title-only Christians to come and have his poison. Don't look away from what evil stems from these government outlets. Trump is not within My Kingdom, nor did Yahweh call for him to have the presidency. Trump knows only his lowercase way of a god and does not honor Me. He is his own god.

Look at his way of living, past and present. Has there been only lip service with his Christian presentation? Can you see it? The people wanted their own lowercase god to worship. They wanted an idol they could see, and they made a lowercase god they could

have in their way of seeing and touching. They put their lowercase god on a god pole. To them, Trump cannot do any wrong. And they were blinded by his fake promises that they would lead the United States with a Christian visage, when instead, great idol worship has stemmed forward, profaning the altar of the One True God.

You can put makeup on a pig, but it's still a pig. You can put your Christian sayings on his lips and make Trump give you "giving honor to God" sayings, yet Yahweh is looking at you. I see who you truly worship in the place of Yahweh.

Turn away from idol worship! Return to the One True God. Know that having a title of Christian and wearing a cross will not save you.

That bride of Satan sits near that spiritually dirty former pastor of a Dallas outlet, saying they are good people. But I look at their sin and say, "Depart from Yahweh. I never knew you." Blinded are the ones who follow the human and not Yahweh. You may put these evil workers on your stages. You may spit in the face of those who say you are in sin, but know this: Yahweh will not need a great influence with any to bring active messages forward into the way of the natural. That says, We—Yahweh—can speak to one lonely prophet in a desert place, a word of the LORD, yielded for the entire world, and bring it forward without anyone helping it come forward.

Woe! Woe! Woe! Yahweh says it.
