

A SPECIAL NOTE

Yahweh assigns church visits as He chooses. He determines which gathering I will attend without any notice to that particular gathering to visit and view the spiritual climate in that church culture. The Body of Christ is a diverse gathering worldwide; Yahweh reveals only a glimpse of this whole way in these many meetings to bring a clarified power way in seeing. He is an able God. Will we yield and worship Him in spirit and truth? Will we accept His judgment, correction, and spiritual shifting? May we humble ourselves continually in the presence of Yahweh.

**

Yahweh is looking for a man, woman, boy, or girl who has surrendered and comes before Him with a “clean hands and pure heart” inward way of service. Is Yahweh pleased with how church service takes place? Is there a misuse of the grace nature, where people are content with lukewarm hearts?

Is a church building a place for dressing up the outer way while leaving within filled with dead ways? Can the culture in the gathering take on solidification, becoming a form of law overruling what the Scripture says? Here is where we can view a few church visits and look within the service to have a well-rounded view of Kingdom order.

Yahweh cares for the people, providing spiritual makeovers, equipping them for warfare, and a thorough understanding of what is coming soon in the new era known as the Age of the Antichrist. This short work prepares us with a glimpse of Yahweh’s will as given through a novice prophet who endured thirty years of one-on-one training with the Great Spirit of Yahweh.

Go with Yahweh’s will and serve King Jesus with your whole mind. And your mind will have a conformed state as the Word of Yahweh permeates within. Let us pray together:

Yahweh, King of all spirits, we humbly seek Your way of Kingdom order, and we prostrate ourselves in Your house, asking for Your wisdom to serve You in the way that will bring You great glory. Change us within from the old way and keep us steady in Your plan of eternal living in the presence of God. Amen.
