

A WARNING FOR TRUMP

Directed to President Trump

YAHWEH SAYS IT:

It doesn't matter how many criminals you pardon; you will not be able to pardon yourself from My judgment.

You may have fooled these "Christians" who use the title of Christian, lacking a true connection with the real God, but you will not trick Me into letting you into My Heaven. We can see you. All your hidden ways stand visible as in the day to Yahweh.

It will seal soon as your natural life comes to an end. Even in this day, We see you are hiding in your will to be who you think the people think you should be. But hear Me clearly. No one can get salvation by the money they have. No one can be released from sin unless they come under Me.

You tricked these sinner Christians into worshipping you and placing you as a lowercase god. If I choose, I could take you from earthly living with a sigh. I let you live in hardened ways to make sure you do not worship Me. It is sealed. You will never turn.

A debased way. Permanently sealed. A warning has been given.

Woe. Woe. Woe. Yahweh has sealed it.
